

Make sure you have your phone in your pocket.

Step 1

Make your way towards the front of the room.

Step 2

Turn around and face the back of the room.

Step 3

Take out your phone.

Step 4

Open your phone to the video recording setting with the camera facing your feet.

Step 5

Start recording.

Step 6

Make your way towards the back of the room, using your biggest stride.

Step 7

Stop recording once you reach the back of the room.

Step 8

Put your phone away.

Step 9

Turn around to face the front of the room.

Step 10

Ask the person closest to you for their phone. If they don't give it to you, use yours for the following steps.

Step 11

Take a selfie with the phone.

Step 12

Set the picture as the lock screen.

Step 13

Using both hands, extend the phone above your head with the lock screen illuminated for 5 seconds.

Step 14

Kneel like you are proposing to the nearest person with the phone. Return phone if necessary.

Step 15

Stand up and take out your phone (if you don't have it out already).

Step 16

Look up your favorite song, play it aloud.

Step 17

Leave the room through the nearest exit.

Step 18
